THE WM. J. BURNS NATIONAL DETECTIVE
AGENCY, Inc., S. F.

On August 23, 1912, the parents of this child were camping at Swazie Lake, near Opelousas, La., and about 11:00 A. M. on this date, the child wandered away from its parents, and has not been seen since. He is described as follows:

Age 4 years, 4 months. Large round blue eyes. Hair light, but tu ıg dark. Complexion very fair with rosy cheeks. Well developed, stout but not fat. rt thick neck. Big toe on left foot badly scarred from burn when baby.

A thorough search of the immediate surrounding country has been made; lakes, bayous, etc., have been dragged; and swamps thoroughly searched, but to no avail.

The child's tracks were found leading along the railroad track, some distance from the camp, and as it would have been impossible for the child to have remained there for any length of time, without being discovered, the supposition is that he has been kidnapped, although no demands for ransom have been made.

On August 26, 1912, a dark complexioned woman, supposedly a mulatress, about 30 years of age, was seen passing through Baton Rouge, La., accompanied by a child of the above description, and boarding a train of the Y. & M. V. R. R., and was traced to Burnside, La., 28 miles south of Baton Rouge, where the trail was lost.

This Agency is authorized to offer a reward of $6,000.00 for any informa ı leading to the recovery of the child. If located, wire the nearest office of THE WILLIAM J. BURNS NATIONAL DETECTIVE AGENCY, Inc., at our expense.

It is the duty of all law abiding citizens to assist in the apprehension of criminals.

Antonio Costanza e' ricercato per avere ferito con un accettino la Signora Salvatore Costanza e' gravimente ferita, probable pericolo di morte. Pure a proveto anche di ferrire il figlio del sudetto Salvatore Costanza, un ragazzo che conta appena sei anni. Anche lui e' ferito gravamente, ultre provo di mazzare il suo fratello, Salvatore Costanza.

ANTONIO COSTANZA, alto 5 piedi, 9, del peso di 155 libbre, di 34 anni, di costituzione magra, occhi turchini, forte. m baffi rossastri, capelli neri un po' grigi alla fonte, alzati, una macchia bianca nei capelli sulla fonte, una cicatrice per una scottatura in un braccio, piccoli sfregi sulla faccia e sulle spalle, una cicatrice ala noce del piede destro. Quando cammina porta la testa bassa e pensoso, cammina con un po' di elevatura nei calcagni. Egli potra' essersi tagliati i baffi, parla pochissimo inglese. Quanda lascio' qui aveva un vestito nero, un cappello nero soffice - un panciotto, e le scarpe di numero otto. Quando e' ben vestito ha una bella apparenza.

Vi e' stata sempre una tendenza nella parte di una CERTA CLASSE di tener celati i fuggitivi dalla giustizia e i criminali contro gli UFFICIALI DI PACE, la quale pratica essi hanno anche sapendo di interrompere il proprio corso alla legge. Noi crediamo che e' tempo di porre un termine a questa pratica, e crediamo, nel render noto a tutta questa classe di persone che se vediamo che essi, tenendo nascosto qualche prigioniero, vengono ad interrompere il proprio corso alla giustizia, di processare essi senza nessun reticenza e senza nessuna grazia, nella speranza che essi vengano a capire che debbono rispettare la legge come qualsiasi altro cittadino. E' dovere di ogni cittadino di assistere e di aiutare la legge nell' arresto di qualsiasi criminale.

The above reward will be paid for the arrest and conviction and delivery to me in any jail in the United States of ANTONIO COSTANZA for attempt at murder.

I am giving the description in English and Italian.

The above is the picture of a dead girl baby, found in the lavatory of the Title, Insurance & Trust Building, Fifth and Spring streets, Los Angeles, Cal., September 25, 1912, at 6:15 P. M. The child was about two months old, light complexion, blue eyes, hair on back of head light brown, and on sides of head a light blonde; regular features, ears round with very small lobes. Was dressed in white muslin dress with lace yoke, outing flannel under garments, an abdominal band of white flannel with two red stripes at each end and wrapped in a small white and blue blanket with butterfly figures.

John A. Harmon, Wanted for Forgery on 3 Counts and for Jail Breaking.

Above reward for arrest and delivery to an officer of this county. Good until Jan. 1, 1913

John A. Harmon, the above photograph of whom was taken in July, 1911, is wanted badly by us for forgery on three counts and for breaking from our county jail on the 20th day of July 1911, while being held to await trial. San Francisco police records show this man as having served time in Folsom prison for burglary, under the name of Charles Lavella. In 1903 when 13 convicts broke jail at Folsom, Harmon turned state's evidence and turned up the men who had been involved in the break plot. Harmon or Lavella is now 36 years of age, was born in South Africa, of Dutch Boer descent; height 5 feet 7⅞ inches, weighs about 155 or 160 pounds, brown hair, blue eyes which are now inclined to squint and he sometimes wears colored glasses, eye lashes are light in color, face is faintly pitted as though from small pox, has cut scar on second joint of little finger right, two boil scars on right arm below elbow, two boil scars on back of neck, left arm has been broken at elbow, also afflicted with slight double rupture, is fond of women. Harmon's mother, Mrs. John L. Harmon, lives in Eureka, Cal. Harmon has always made Frisco his headquarters and told a friend here before he was arrested that he was interested in a cigar store on Kearney street, but did not say where the place was located. Draws a pension from the Government from the pension office in Frisco and has time for two quarterly payments coming to him now. While in this county Harmon was working on a ranch. Aside from this we do not know what his occupation is other than a common laborer.

Any information regarding this man will gratefully be received and should you find, arrest, hold and wire this office collect and I will come at once with the proper papers.

Flagstaff, Arizona, Jan. 11th, 1912

On the night of January 10th, 1912, the following described persons escaped from jail here by sawing out of the steel cage

GEORGE MILLER

About 22 years old, height about 5 foot 8 inches, weight 160 lbs, smooth shaved, long bushy dark hair, dark eyes. Wore an old black slouch hat, ducking coat with large collar and lined with sheep skin, corduroy pants, heavy tan shoes.

JOHN SMITH

About 21 or 22 years old, rather dark complexioned, smooth shaved, heighth about 5 foot 11 inches, weight 170 lbs, black bushy hair, inclined to be curly and parts in middle, blue eyes. Wore high crown, narrow brim, light Stetson hat, nearly new; dark greenish colored coat, bib overalls, light black shoes, nearly new but scuffed considerably at toes.

Smith and Miller are pals and will probably hang together. They look to be ranch hands or cowboys and are said to be from Estancia Valley, New Mexico. They were both held for horse stealing.

JOHN SULLIVAN

About 40 years old, height about 5 foot 6 inches, weight 170 lbs, light sandy complexion, small sandy mustache, light blue gray eyes, scar on right side of bridge of nose running slanting toward the cheek bone; three small moles or warts on forehead just above left eye. Speaks quick and with Irish brogue and uses the word "sir" quite often while talking. Sullivan is a booze fighter and shows it quite plainly in his general appearance and gets very drunk and dances and does clown acts around saloons. He wore blue overalls, yellowish colored coat and had a patch of dark cloth just below the lower side pocket on the right side; heavy tan shoes; old wide brim light hat pinched up to a point at the crown. Sullivan will probably travel alone. He was in jail for robbery—breaking into a store. Think he is an old time criminal.

JESUS MARINO

Mexican, about 21 years old, height about 5 foot 8 inches, weight 160 lbs., smooth shaved, black eyes, long black hair parted on left side and pompadour roach. Wore new light narrow brim Stetson hat, fancy patent leather shoes nearly worn out, black pants, striped shirt and dark coat. Merino has medium complexion for Mexican.

Please keep close lookout for the above parties as I want them badly. I will pay liberal expenses for their capture. Arrest and wire at my expense.

CONSTANTIN MONTARO, Spaniard, age 28 to 30 years, height 5 feet 10 or 11 inches, weight about one hundred sixty pounds, light complexion, nearly white, dark hair, generally smooth shaven.

Nearly always has smile on face. Walks quickly. Very erect. Neat dresser.

Montaro has worked in Grass Valley and Iron Mountain, California, in the mines, and about a month ago was working at Atolia, San Bernardino Co., California. LOUIS POGGI, alias Bruno, alias "Louie the Lump," age 24 years, height 5 feet, 3 inches, weight 158 lbs., medium dark complexion, dark brown hair, brown eyes; Italian parentage.

Poggi was arrested on May 21, 1908, charged with killing two men and wounding a woman. He pleaded guilty and was sentenced by Judge Scudder, Kings County Supreme Court, to Elmira Reformatory, where he served thirteen months.

On February 13th, 1912, he was arrested, charged with exchanging pistol shots with one "Game," on the corner of Baxter and Franklin Streets. As the result of this shooting an innocent bystander was seriously injured. Witnesses were sworn by a representative of the District Attorney and identified Poggi as the man who had done the shooting. On examination before a magistrate these witnesses retracted these statements which they had made under oath. Poggi was accordingly liberated.

He was again arrested on March 7, 1912, charged with having a loaded revolver concealed on his person. He was arraigned before a Magistrate who held him without bail for the action of the Grand Jury. Prior to his appearance before the Grand Jury he was released on $2,000 bail by Judge Swann. He was indicted by the Grand Jury as a second offender and was, in consequence, re-arrested. He was then admitted to bail in the sum of $4,000 by Judge Swann in General Sessions. This bail was forfeited by the Empire State Surety Company.

The case against Poggi came to trial on April 1. Poggi failed to appear and his bail was forfeited.

On April 3, Poggi was surrendered by his attorney before Judge Crain, who ordered the forfeited bond refunded to the bonding company and paroled Poggi in the custody of his attorney, to appear at two o'clock this afternoon for trial, when he failed to appear.

If Found, Arrest and wire me, and officer will be sent with necessary papers.
